ABOUT KOKUA

BRINGING YOUR VISION TO LIFE – WITH PRECISION AND PURPOSE

At Kokua Construction Group, we turn your bold ideas into real results on projects across Hawaii. Our team thrives in fast-paced environments, offering the agility and expertise needed to meet your goals on time and within budget. We specialize in customized, cost-effective construction solutions —whether it's a \$50,000 building repair, a \$5 million restaurant buildout, or a major commercial or resort renovation.

Our clients benefit from the personalized service of a dedicated local partner, backed by the strength, resources, and innovation of a larger construction network. With Kokua, you get the best of both worlds: responsive support and proven results.

Vision, Values & Guiding Principals

Vision:

What we aspire to do

At Kokua Construction Group, our vision is to be Hawaii's premier construction partner—delivering exceptional results, building lasting relationships, and creating value through collaboration, innovation, and integrity. We strive to transform ideas into impact, powered by a positive, results-driven attitude and a shared commitment to excellence.

Values:

What we believe

Rooted in local pride and built on trust, Kokua Construction Group lives by values that reflect who we are and how we work:

- **Integrity.** We operate with honesty, transparency, and fairness in every decision and action.
 - **Safety & Well-Being.** We are uncompromising in creating safe, healthy environments for our team, partners, and community.
 - **Excellence.** We take pride in our craftsmanship, delivering top-quality work with efficiency, precision, and care.
 - **People First.** We value our people and foster fulfilling careers through mentorship, development, and purpose-driven work.
 - **Relationships.** We build long-term partnerships through mutual respect, open communication, and trust.
 - **Innovation.** We embrace fresh ideas, new technologies, and continuous improvement in every phase of our work.
 - **Sustainability.** We build responsibly—respecting Hawaii's land, people, and future.
 - **Wow! Customer Service.** We exceed expectations through proactive communication, reliable service, and a can-do spirit that leaves a lasting impression.
-

Guiding Principals:

How we do it

These principles shape our everyday actions, decisions, and relationships—and define what it means to be part of the Kokua Construction Group 'ohana:

- **Live with Integrity.** We do what's right, not what's easy. Our team leads with honesty and upholds the highest ethical standards, even when no one is watching. Trust begins with transparency—and we hold ourselves accountable at every step.
- **Treat Everyone with Respect.** We value people above all. Every team member, client, partner, and community member deserves to be heard and treated with dignity. We listen actively, communicate openly, and foster a work environment built on mutual respect.
- **Collaborate as One Team.** Together, we go further. We welcome diverse perspectives, encourage teamwork across all levels, and support each other to succeed. No silos, no egos—just one united team working toward a shared goal.
- **Build and Keep Trust.** We say what we mean and do what we say. We honor our commitments, communicate clearly, and take ownership of results. Through reliability and consistency, we earn and sustain trust—internally and externally.
- **Stay Results-Driven.** We work smart and deliver with purpose. From pre-construction to closeout, we approach each project with focus, discipline, and follow-through—always keeping the client's goals and timelines at the forefront.
- **Learn and Improve.** We believe every experience is an opportunity to grow. We stay curious, embrace feedback, and share lessons learned so we can continue to evolve as individuals, as a company, and as an industry leader.
- **Wow Every Customer.** Good service isn't enough—we aim to impress. We anticipate needs, solve problems proactively, and go the extra mile to deliver memorable, "Wow!" moments that set us apart and make every client feel like a priority.
- **Embody Our Culture.** We live our values daily through action, not just words. We bring positive energy to the workplace, take pride in what we build, and uphold the Kokua spirit in everything we do—collaborative, respectful, hardworking, and always with aloha.

THE KOKUA COMMITMENT

SAFETY — EVERYONE GOES HOME SAFE

At Kokua Construction Group, safety is not just a priority—it's a promise. Everyone goes home safe, every day. No task is so urgent that it can't be done safely. Backed by strong leadership and driven by our team in the field, our proactive, craft-informed safety culture is embedded into every phase of planning, construction, and operations. Whether on O'ahu, Maui, or beyond, we protect our people like family—because they are.

QUALITY — BUILT RIGHT THE FIRST TIME

We take pride in delivering quality you can see—and trust. From small-scale repairs to complex renovations, our team plans with purpose, builds with precision, and holds each other to the highest standards. At Kokua Construction Group, quality isn't just a final outcome—it's a mindset that drives every step of the project. We don't settle for "good enough"—we aim to exceed expectations every time.

ENVIRONMENTAL RESPONSIBILITY — RESPECT THE LAND, BUILD THE FUTURE

As kama'āina, we understand the deep responsibility we have to Hawai'i's land, people, and future. That's why we take environmental stewardship seriously—ensuring every project complies with local and federal regulations, protects natural resources, and honors the surrounding community. We don't just build in Hawai'i—we live here, too.

OUR PEOPLE

At Kokua Construction Group, our greatest asset is our people. We're proud to cultivate a homegrown, highly skilled workforce that brings dedication, integrity, and pride to every job site. From the office to the field, our teams are committed to excellence—and it shows in the results we deliver.

We believe in developing talent from within and investing in our people at every stage of their careers. Our customized training programs include hands-on experience, site-based learning, mentorship, and leadership development—all designed to build strong, capable teams that thrive in fast-paced environments.

We prioritize career growth, offering advancement opportunities, competitive compensation and benefits, and a workplace culture grounded in safety, respect, and collaboration. At Kokua, we don't just build great projects—we build rewarding careers and lasting relationships.

Because when our people succeed, so do our clients, our projects, and our communities.

Kokua Construction Group's early involvement and hands-on approach allow us to control costs and timelines with **greater accuracy and confidence.**

Full Project Delivery — From Vision to Completion

At Kokua Construction Group, we provide full-service project delivery you can count on. From the earliest planning stages to final turnover, we bring deep experience, local insight, and proven processes to every phase of construction.

Our team offers a comprehensive suite of services—including pre-construction planning, design coordination, permitting support, general contracting, and construction management. Whether it’s a complex commercial renovation, a facility upgrade, or ground-up new construction, Kokua delivers tailored solutions that meet your needs, timeline, and budget.

We pride ourselves on being a single point of accountability. Our clients benefit from consistent communication, streamlined coordination, and a hands-on team that ensures quality, safety, and efficiency from day one. No job is too large or too small—from \$50,000 repair work to multi-million dollar facility renovations, we approach each project with the same level of care and professionalism.

By aligning our processes with your goals, Kokua Construction Group delivers results that go beyond expectations—built to perform, built to last.

PRE-CONSTRUCTION	DESIGN	PROCURE	CONSTRUCT
Define goals, budget, and timeline	Collaborative, owner-focused design	Aligned procurement strategy across design and construction	Precision-built with a focus on safety, quality, and scheduling
Design plans	Safety-integrated planning from day one	Transparent tracking of materials and timelines	Smart planning backed by advanced project controls
Obtain permits	Efficient, practical engineering solutions tailored for Hawaii's unique environments	Streamlined coordination with suppliers and subcontractors	Proven success across a wide range of project sizes and scopes

CORE CAPABILITIES

At Kokua Construction Group, we bring value at every stage of a project—but when we're involved early in the development and design process, our impact is even greater.

From initial concept through to completion, we collaborate closely with owners, architects, and stakeholders to uncover cost-saving opportunities, streamline timelines, and avoid common construction pitfalls. By engaging our team early, clients benefit from smarter planning, more accurate budgeting, proactive permitting strategies, and constructability insights that reduce risk and improve outcomes.

Whether you're in the feasibility phase or preparing to break ground, Kokua provides expert guidance and trusted solutions that help turn your vision into reality—on time, on budget, and built to last.

SERVICES

Preconstruction Services Early planning, budgeting, and value engineering to guide smart decision-making and reduce surprises during construction.

Design-Build solutions that combine efficiency, accountability, and client-focused design.

Tenant Improvements Interior renovations and space buildouts customized for function, branding, and occupant comfort—from single offices to large commercial suites.

Commercial & Retail Buildouts Ground-up construction or tailored interior buildouts for retail, office, and mixed-use environments.

Hospitality Construction Expert delivery of hotel renovations, resort upgrades, and guest-focused design with minimal operational impact.

Education & Government Projects Safe, resilient, and cost-efficient facilities that support public service, learning, and community goals.

Construction – Self-Perform Capabilities Hands-on control of quality, safety, and schedule through our experienced self-perform crews for concrete, carpentry, and general trades.

Procurement & Supply Chain Management Strategic sourcing and vendor coordination to ensure timely delivery of materials and equipment—locally and globally.

Contracting Methodologies Flexible delivery options to suit your project needs, including general contracting, design-build, and CM-at-risk.
